Maintenance of Floor

ORDINARY CLEANING

Damp mop the floor only when needed. Use A All-round Floor Cleaner and A mop cloth. Damp the mop cloth with warm water and A All-round Floor Cleaner (mix 2 capfuls of A All-round Floor Cleaner (use the cap of the bottle) in 10 liter water). Mix carefully according to the manufacturer's instructions. Do not overdose. Used mop shall be washed according to labelling in 60 °C without any additives. Do not work in larger areas than 15 – 20 m² at a time. Make sure the floor is dry after damp mopping.

HEAVILY SOILED OR STAINED FLOORS

To remove stubborn stains or markings use A All-round Floor Cleaner and a clean mop, towel or a scratch free white or red pad if extra treatment is needed. Let it act for a few minutes. Remove the stain by wiping it away with a clean mop damped with lukewarm water. Repeat if necessary. Wipe dry afterwards.

STAIN REMOVAL GUIDE

Locally spotted areas: Apply A All-round Floor Cleaner on the spot. Let the Floor Cleaner dissolve the stain for a few minutes. Remove the stain by wiping it away with a clean mop damped with lukewarm water. Repeat if necessary.

Chocolate, grease, juice, cordials, wine: Spray with A All-round Floor Cleaner or use warm water added with All-round Floor Cleaner.

Tar, crayon, lipstick, shoe polish, ink, carbon, nail polish or cigarettes: Methylated spirit, acetone or household solvent, petroleum spirit.

Candle wax and chewing gum: Allow to harden then carefully scrape off.

Maintenance Manual

Maintenance of Floor

AVOID WAX AND POLISH

A laminate floor should never be waxed or polished. Never scrub with steel wool or any other coarse material as this may have a negative effect on the appearance and structure.

ADDITIONAL TREATMENTS

Some textured surfaces require special treatment as described below:

Matt textures: Dirt will generally stick harder to floors with matt textures. We therefore recommend that these types of floors be cleaned more regularly.

Polished textures: Dried watermarks are often more visible on polished textures. Always wipe with a dry mop after damp cleaning.

Floors with bevelled edges: Because water can accumulate in the bevel, be sure to always wipe dry.

PROTECT YOUR FLOOR

We recommend using wheels for hard floors on office chairs. Also protect the floor by using felt pads on furniture legs. Always use a doormat at the front entrance.

Ahmadabad:

Surface Plus, GF, 4th Floor
Premier House, Opp. Gurudwara
